

Helping Every Bride feel Confidently Herself

## Because Your Love Story Deserves a Thoughtfully Tailored Fit

Inspired by timeless elegance and enduring craftsmanship, each service level reflects a thoughtful progression of care — from foundational refinement to advanced customization — ensuring every gown is tailored with intention and grace.

Each gown is evaluated individually. The appropriate service level is determined by gown construction, structural requirements, and the agreed scope of work.

### Foundational Fit

#### Core Refinement

- Personalized fitting assessment
- Fit and proportion refinement
- Essential hemming
- Up to two fittings

Investment: \$300-\$400

Ideal for gowns requiring thoughtful refinement and proportion adjustments without structural redesign.

### Elevated Fit

#### Structured Shaping

- Comprehensive fit and design assessment
- Bodice contouring and internal shaping
- Hem and skirt refinement
- Strap, sleeve, neckline, or back adjustments
- Basic bustle design
- Up to 3 fittings

Investment: \$450-\$750

Ideal for gowns requiring shaping, contouring, and structural refinement.

### Comprehensive Fit

#### Advanced Customization

- Fully customized alteration plan
- Structural bodice sculpting
- Multi-layer or detailed skirt work
- Custom bustle design
- Lace, applique, or illusion mesh refinement
- Sleeve, back, or structural redesign
- Multiple fittings as required

Investment: \$800-\$1,200+

Ideal for gowns requiring advanced customization, reconstruction, or detailed structural redesign.

Final investment is confirmed following consultation, construction assessment, and agreed scope of work.
